

Band's Preparation Duration inclusive of meal time & stand-by

- Setting the starting time (The Grand March) shall determine the rest of the itinerary i.e. the band's time of arrival
- The sound system will be installed separately, earlier before the band's arrival

- 1.0 hour prior is the duration needed for a 1P / 2P / 3P band setup (wedding/garden ceremony)
- 1.5 hour prior is the duration needed for a 4P string quartet setup (wedding/garden ceremony)
- 2.0 hours prior is the duration needed for a 3P / 4P / 5P band setup
- 3.0 hours prior is the duration needed for a full band or a 6P band setup

- The band shall be allowed to finish their soundcheck (the latest) 0.5 hour prior to the prelude of the wedding/garden ceremony
- The band shall be allowed to finish their soundcheck (the latest) 1.0 hour prior to the event/reception opening

- The band will not start ahead of time planned/agreed (even though all guests has arrived; unless the band is ready)

- If the band is required to arrive earlier than stated above (for reasons like keeping the stage/hall available for other purposes), then special charges apply at RM30 per performer per 30 mins
