

### **3P JJB (Jingle & the JazzBoys)**

- A singing pairing so long that they have such good numbers of duets and also adult contemporary tunes.
- They are bubbly and joyful performers that is sure to lighten up your event. Having a unique guitar-playing style, it covers both the rhythms (like a bass drum kick) as well as the chording.
- The bassist, completes the lower-end sound spectrum, providing ‘thick’ and ‘thin’ variations of sound, beside enhancing the grooves.
- In some songs, they may perform some 3-layered vocal harmonies.
- The hosting is done in bilingual (English & Mandarin) by Jingle while the PA System and the BGM is controlled by Damien during intermissions.
